II Principal Office

The principal office is the location of the corporation's principal executive offices. A post office box, by itself, is not allowed.

III Registered Agent

The corporation must have a registered agent in Virginia. The registered agent's sole duty is to accept legal documents and notices on behalf of the corporation. The corporation may not serve as its own registered agent. The registered agent must be an individual or entity that meets one of the qualifications. Check the applicable box.

IV Registered Office

The registered office location must be identical to the registered agent's business office.

Note

If the corporation's articles state that its sole and specific purpose is to render a "professional service" as defined in § 13.1-543 of the Code of Virginia, include an attachment listing the name and address of each shareholder of the corporation who will be providing the professional service in Virginia and whether they are licensed or legally qualified to perform the professional service in Virginia.
